Director of Professional Services

## Sonia Ahluwalia Joins eSentio Technologies

**Washington DC, May 4, 2023:** eSentio Technologies strengthens its professional services arm with the strategic hire of Sonia Ahluwalia as its Director of Professional Services. She will be a key member of eSentio's senior management team with responsibility for service excellence, utilization and client satisfaction across all of eSentio's service lines.

As a leading legal IT strategic consulting and implementation company serving the world's largest law firms, eSentio aims to deliver service to clients at the highest level. Sonia brings over 20 years of experience to eSentio's client service team in the areas of Strategic Leadership, Program Management, Change Management, Agile Transformation and Business Architecture. Her leadership will strengthen eSentio's lead in the successful delivery and adoption of the most complex, transformative projects undertaken by our clients.

Sonia joins eSentio from Elevate where she was Director of Consulting. Having previously worked with Accenture Federal Services and Hogan Lovells, Sonia has extensive experience running professional services teams as well as a deep understanding of legal technology. She graduated from Guru Gobind Singh Indraprastha University with a B.Tech. in Computer Science and has a Masters in Computer Science from George Washington University, Washington DC.

A self-professed advocate of the application of artificial intelligence to the solution of real-world problems, Sonia is a creative thinker and innovative thought leader. She is passionate about tackling the types of complex business problems that are facing large multinational law firms today and is not afraid to challenge the status quo.

Yvonne Dornic, eSentio's CEO, stated, "We are thrilled to have Sonia join our team. She will bring her extensive consulting and leadership experience to our team of seasoned professionals and will help eSentio structure itself to remain the large law firm strategic partner of choice."

"I am excited to join the eSentio team and help them continue to deliver innovative and high-quality solutions to their clients," said Sonia. "I am confident that my experience and expertise will be a valuable asset to the company, and I look forward to working with the team to achieve our shared goals."
