

eSentio Technologies is honored by NetDocuments as its Strategic Law Partner of the Year for the third year running.

San Antonio, TX – October 26, 2023 – NetDocuments, the world’s #1 trusted cloud platform where legal professionals do their best work, today announced the winners of the *2023 Inspire Partner Awards* as part of its annual [Inspire 2023](#) conference. **eSentio Technologies** was selected as the **Strategic Law Partner of the Year** for its ability to deliver extraordinary value to NetDocument's largest law firm clients through its multidisciplinary approach that combines elements of Information Governance, Change Management, and unparalleled practical experience in large law to ensure that implementations are framed correctly and delivered to achieve exceptional user adoption.

The Strategic Law Partner of the Year award was presented to [Yvonne Dornic](#), eSentio’s CEO and Founder, at the conference. “It takes an incredible amount of focus and discipline to be recognized as a strategic partner to large law firms, and we are very proud of this achievement. It is a testament to the professionalism of our team that our success implementing NetDocuments has been formally recognized by our partner,” said Dornic. “Winning this award for the third year in a row is a massive achievement. Having assisted numerous firms in the review and selection of cloud-based Document Management Systems, we are seeing clear momentum towards NetDocuments as the content management platform of choice for large global law firms. As we enter 2024, we are looking forward to helping our clients optimize their investments in the NetDocuments platform including the new workflow and ND Max AI products.

“The NetDocuments partner ecosystem is an integral part of our business and ability to deliver enduring value to our customers,” said [Reza Parsia](#), VP, Strategic Partnerships, NetDocuments. “We value the work eSentio performs with our largest clients and the thought leadership they bring in working with them. They have been a strong partner and advocate that promotes success and adoption during product selections and implementations. This ‘will do’ attitude and

relentless commitment to the success of our customers is what our ‘Partners of the Year’ winners prove on a daily basis. Congratulations to eSentio Technologies for embodying these values and successes.”

About Your Company

eSentio Technologies is a technology consulting and implementation firm that works with the world’s leading law firms and corporate legal departments to deliver strategic technology solutions. eSentio is committed to delivering candid, unbiased recommendations on the technologies that will best serve the specific needs of our clients’ firms. Law firms are service providers to their clients, and we believe that their technological investments should be based on how that service can best be provided. Our consultants work to ensure that our clients’ technology investments are based on sound business decisions, not just the intricacies of technology.
